Pediatric Assessment & PALS Mock Code Concepts

RN & LVN Workshop

This course is specifically intended for the nurse working with the pediatric population. Assessment, age appropriate strategies and cultural differences will be discussed, as well as current research and red flags. The afternoon session will provide hands on practice of pediatric mock code scenarios in a simulated patient environment utilizing PALS algorithms from the current, 2015 AHA PALS Guidelines.

Thursday, July 19th
Location: St. John's Pleasant Valley

9:00 am – 1:00pm
Pediatric Assessment

1:30 – 5:00pm
PALS Mock Code Concepts
