

BREAKING NEWS!

The National Labor Relations Board reaffirms its initial decision:

We're **OFFICIALLY** part of **SEIU Local 121RN!**

Now comes the part we've been waiting for: our opportunity to negotiate some real improvements here at Glendora Community Hospital—and **have them guaranteed in writing.** Our Bargaining Team encourages everyone to complete our Bargaining Surveys to let them know our priorities when they sit down with management and negotiate our first contract.
