

# **Here's what we want to see in our next STRONG contract!**

**As we get ready** to negotiate our next contract, we've identified our top priorities that our Bargaining Team will bring to negotiations with Kindred Hospital South Bay.

We will use our time in bargaining to negotiate the working conditions that allow us to provide our patients with the best, safest possible care. In addition...

**Here are the top items based on our Bargaining Surveys:**

- Wage increases for everyone
- Vacation and time off policies improvement
- Health and safety policies and practices
- Safe staffing and meal/break relief

**Our Bargaining Team  
will work hard to  
fight for the changes  
we want to see.**

**Ultimately, only WE can make this happen  
by showing our support for our Bargaining Team!**

Starting next week...

**Purple up to support our demand to bargain!**

**Ask a Bargaining Team member or our Union Rep/Organizer  
how to become a Contract Action Team member!**
