**LOW WAGES.  
UNFAIR WORKPLACES.  
THIS ISN'T WORKING.**

Corporations and politicians are rigging the system against working people. To fight back and win, we need #UnionsForAll.

**\$15/HR**

That's the national minimum wage we are fighting for.

**15-20%**

That's how much more Union workers have consistently earned since 1936 than non-union workers.

**24%**

That's how much more full-time women workers in Unions earn than non-union peers.

**6 OUT OF 10**

Americans approve of Unions.

**68 BILLION**

That's the amount of wages per year we've won for workers since 2012.

**13.1%**

That's how much more likely Black Union workers are to have health insurance than non-union peers.
